WIM DELVOEYE

ARTIST SHOWING THROUGH LEILA HELLER GALLERY (A7)

The art world's biggest crime is: Stagnation. **If I had to summarise in one word, I would say that art is:** Pretentious. **I am happiest when:** I work. **Mankind is capable of great:** Stubbornness. **For inspiration, I go to:** A place with trees. **Life would be meaningless without:** Other people. **I owe my success to:** Other people. **My biggest vice:** Ageing. **The song I can listen to over and over again is:** *You're So Vain* by Carly Simon. **My greatest pet peeve is:** European governments and how they make a mess. **I just don't understand:** Why people still have so much faith in paper money. **If I weren't doing what I do, I would have been:** An architect. **The artist I'd want my portrait created by:** Michael Borremans. **I wish people wouldn't:** Drink alcohol. **I will always say yes to:** A good project. **Creativity can be crushed by:** Success.
