EXPO CHICAGO 2016 full programming announced

IN/SITU Outside and OVERRIDE

Building upon the City of Chicago and DCASE's longstanding commitment to public art, EXPO CHICAGO expands one of its key initiatives to showcase works by leading international artists beyond the exposition floor at Navy Pier. Presenting temporary public art installations situated along the Lakefront and throughout Chicago neighborhoods, the 2016 IN/SITU Outside program will feature work by **Afroz Amighi**, two large-scale sculptures by **Mark di Suvero**, alongside an extended piece by **Daniel Buren** and **Ewerdt Hilgemann**.
