## My Art Guides

New York - Exhibition

# Zaha Hadid at Leila Heller Gallery, New York Leila Heller Gallery

25 Nov 2016 – 21 Jan 2017

Featuring the work of the renowned architect **Zaha Hadid**, **Leila Heller Gallery** showcases product designs including pieces from the 2015 Liquid Glacial Collection of furniture.

Well known for her architectural projects, such as the MAXXI Museum in Rome or the London Olympic Aquatics Stadium, Zaha Hadid is recognized as one of the leading architects of the 21st century. This exhibition includes large scale building projects which show the design, materials and developments of her works.
