“Zaha Hadid,” an exhibition featuring the oeuvre of the late internationally renowned architect Dame Zaha Hadid is on view at Leila Heller Gallery till January 21, 2017.

On view are works spanning from a selection of Hadid’s designs including pieces from the 2015 Liquid Glacial Collection of furniture. The exhibition exemplifies the artist’s transition after the 1990s from an ‘early semi-tectonic’ into her ‘later semi-liquid’
