Art Week at AlSerkal Avenue »

Leila Heller Gallery is delighted to announce the first solo exhibition in the UAE by Rashid Rana (b. 1969), the leading contemporary artist of his generation living in Pakistan. Rana is known for developing a conceptually-driven art practice, one of which consists of a pixelated attention towards formal concerns using distinct imagery and pictorial strategies. His work portrays multiple modes of presentation, each time finding a freshness of purpose and inventiveness throughout his unique visual language. Collectively known as his Transliteration Series, Rana reimagines pre-existing imagery from art historical masterpieces to contemporary photography, each is transformed into digital fields of form and colour that he can play with.

Rashid Rana will be in conversation with Glenn Lowry at the gallery March 13, 2017 from 5-6pm. Please RSVP Rana/Lowry to [dubai@leilahellergallery.com](mailto:dubai@leilahellergallery.com)

Rana will also be signing Exhibition Catalogues at Booth A8, Art Dubai, Madinat Jumeriah, Thursday March 16, 4-5pm.
