Crumbling Down, Up And Up We Climb

YARAT Contemporary Art Centre

15 Dec 2017 — 18 Feb 2018

Curated by **Suad Garayeva-Maleki** and **Björn Geldhof**, the group show "**Crumbling Down, Up And Up We Climb**" acts as a verse on humanity faced with its own limitations, like a candle burning at both ends. By juxtaposing five artistic positions as different proposals for a way forward, the show explores attitudes towards cultural histories and monumentality as well as the constant human condition of entropy and re-awakening. The works by **Reza Aramesh**, **Vajiko Chachkhiani**, **Jan Fabre**, **Goshka Macuga** and **Stephen G. Rhodes** present the ambivalent human condition in which the will to move forward is constantly challenged by loss and forgetfulness.
