For inspiration, I: Speak with artists. **My best art investment is:** All the art I buy to live with. **The exhibition that left a big impact on me was:** *Between Geometry And Gesture* at the Whitney Museum of American Art in 1990. **The song I can listen to over and over again is:** *With Or Without You* by U2. **The artwork that best describes me is:** *Der Lauf der Dinge* by Peter Fischli and David Weiss. **The artist I'd want my portrait created by:** John Currin. **I wish people wouldn't:** Lie. **The artwork I can stare at for hours:** *Dictionary Page* by Gilles Barbier.

If there is one era I would go back to, it would be: The Italian Renaissance. **It would make my parents proud to know that:** I won a Pulitzer Prize. **For inspiration, I go to:** The Met. **My biggest vice is:** Seclusion. **The song I can listen to over and over again is:** The Brahms *Third Piano Trio*. **I just don't understand:** Damien Hirst. **My favourite fictional character is:** Anna Karenina. **The artist I'd want my portrait created by:** Rembrandt. **Without art, the world would be:** Soulless. **Creativity can be crushed by:** Commerce.
