Miami Beach | Dec | 6-9 | 2012

Take a break from the chilly New York weather while keeping your cool, and head south to **Miami Beach**, Florida from December 6 – 9 for [Art Basel](#) Miami, the most prestigious art show in the Americas. More than [260 leading galleries](#) from North America, Europe, Latin America, Asia and Africa will showcase works by more than 2,000 artists of the 20th and 21st centuries. Go to [Art Basel](#) to see the online catalog, and for questions or more information, email Donnamarie Baptiste at donnamarie.baptiste@artbasel.com.

[NET-A-PORTER](#) is our go-to when in need of chic pieces with that perfect bit of “edge.” We love the urban-cool appeal of **Reed Krakoff's** leather-paneled black top, which we teamed with **Diane von Furstenberg's** ultra-flattering ‘Mahalia’ skirt. Its sweet cotton-blend lace draws focus while the sporty stretch-crepe panels create a streamlined silhouette. If you’re feeling graphic, go with **Marc by Marc Jacobs's** boldly banded stretch-twill ‘Scooter’ dress and watch your sartorial status soar. Or, zip into this fabulously fringed faux leather by **La Petite S*****s**. This edgy design promises to make you stand out from the cocktail crowd to high critical acclaim.

While in Miami, don't miss the [Rachel Lee Hovnanian's](#) works from the **Reflections of Narcissus** at the **Leila Heller Gallery** at [Art Miami](#). *The series consist of multi-layered and textured metal paintings which gleam with lavish metallic leaf on linen.*
