

Top 100 Fall Shows

Each year *Modern Painters* surveys the international gallery scene, from New York to Hong Kong, London, and São Paulo, and compiles a curated guide to the best of the coming months. Dig in and discover the breadth and variety of this fall's programming, which includes well-known heavy hitters—Gillian Wearing, Eric Fischl, Rosemarie Trockel—alongside emerging stars like Kati Heck and Andrea Longacre-White.

Kati Heck
O Leon, 2014.
Oil, collage,
and crayon
on canvas,
