Ran Hwang

Ran Hwang is a Korean-born, New York- and Seoul-based contemporary artist known for her large-scale wall installations made from everyday materials like buttons, pins, and crystals. Her meticulous, meditative process draws from Zen philosophy, transforming humble objects into poetic forms, often depicting birds, plum blossoms, and symbolic architecture. By combining repetition with fragility, Hwang's work explores themes of impermanence, memory, and cultural identity.

LEILA HELLER GALLERY.
